

92nd Annual
**Fayette County
Fair**

July 6th-11th, 2023

AFTER

40 YEARS

DR. CHARLIE DURBIN, DVM IS RETIRING!

PLEASE JOIN US FOR A RETIREMENT CELEBRATION

**SATURDAY
JULY
8**

**AT THE PAVILION
IN FRONT OF THE
GRANDSTANDS
2:00PM - 4:00PM**

Hosted by **FAYETTE COUNTY FAIR ASSOCIATION**

Dr. Charlie Durbin, DVM was born & raised in Fayette County, the son of Daisy & Clifton Durbin. He was a member of the St. Elmo Elmonian 4-H Club with Jesse Heischmidt as his leader. After graduating from St. Elmo High School in 1975, Dr. Durbin attended SIU Carbondale where he earned his Bachelor of Science Degree in 1979. He then attended Vet School at the University of Illinois, graduating in 1983. In August 1984, he opened Durbin Vet Clinic in St. Peter.

Dr. Durbin has served as the Fayette County Fair Veterinarian for 37 years, free of charge! He has also served on the Fair Board of Directors for a total of 15 years, 7 of which he was the treasurer. He was the Dairy Superintendent for 18 years. In 2010, Dr. Durbin was the President for the Southern Zone of County Fairs.

Dr. Durbin has been a huge supporter of Fayette County 4-H & FFA. For 30 years, he donated free blood testing & free health papers to 4-H youth. He & his wife started Udder 4-H Club & were leaders for 5 years. He has attended every 4-H Auction.

Dr. Durbin married his wife, Nancy Brown in 1986. They have two children, Chelsy & Clifton. They are the proud grandparents of Wyatt & Wrenley.

Dr. Durbin's retirement will officially begin in May 2024.

Thank you for all your years of dedication, Charlie!

2022 Miss Fayette County

Miss Fayette County Fair Queen 2022 Anna Kramer is the 19 year old daughter of Scott & Heather Kramer of Farina. She is employed as a licensed cosmetologist at Boho Clinique in Effingham.

As Miss Fayette County, Anna represented Fayette County well by attending other county pageants and participating in several parades and various events throughout the county. She attended County Fair Day at the State Fair. In November, she attended the Southern Zone Meeting in Salem where she had a chance to meet the other queens from Southern Illinois. In January, she did a great job representing our county at the Miss Illinois County Fair Queen Pageant in Springfield.

Anna, we wish you the very best for your future. We've enjoyed our year with you and you will truly be missed! Remember, "Once a Queen, Always a Queen". You will always be a part of our "FAIR FAMILY".

2022 Jr. Miss Fayette County

Jr. Miss Fayette County Fair Queen 2022 Mya Schaal is the 14 year old daughter of Dennis & Amy Schaal of St. Peter. She will be a freshman this coming fall at South Central High School in Farina.

As Jr. Miss Mya participated in every fair event and went with Queen Anna and Little Miss Remy to several pageants and parades as well as various events throughout the county.

Mya, we are proud to have had you as our Jr. Miss Fayette County Fair Queen. Thanks to your family for sharing you with us this past year. We wish you the best of luck for your future and remember you will always be a part of our "FAIR FAMILY".

2022 Little Miss Fayette County

Little Miss Fayette County Fair Queen 2022 Remy Hagy is the 6 year old daughter of Bryer Wemple of Vandalia and Mark Hagy of Bluff City. She will be in 3rd grade at Ramsey Elementary School in the fall.

As Little Miss, Remy participated in every fair event and went with Queen Anna & Jr. Miss Mya to pageants and parades as well as various events throughout the county.

Remy, we are thrilled to have had you as our Little Miss. Thanks to your family for sharing you with us this past year. We wish you the very best for your future and you will always be a part of our "FAIR FAMILY".

● Rules ●

Notice to all Exhibitors

Disclaimer

“The Department of Agriculture shall use its best efforts to secure sufficient appropriations to fund premiums. In any year for which the General Assembly of the State of Illinois fails to make an appropriation sufficient to pay such premiums, premium amounts may not be accurately reflected in this Premium Book.”

1. The Fayette County Fair Association will not be responsible for the loss or injury of any personal property or for any personal injuries.
2. No outside alcoholic beverages allowed on fairgrounds

Animals

1. No animal will be allowed to run at large on the grounds. All cattle on grounds will be secured with a halter. Violation of this rule will be subject to removal from the grounds. All animals or articles will be at all times subject to control of the Board of Directors. Every precaution will be taken to prevent loss and accidents. Fair Association will not be responsible should any occur.
2. Exhibitors need to bring wheelbarrows to deposit manure in designated areas. No objects except straw in manure piles. All bottles, ropes, sacks, twine, wire, etc., shall be deposited in containers provided by fair.
3. Livestock shall be washed in wash racks only. All livestock trailers must be parked along west fence.
4. All competing animals shall be exhibited and paraded at the direction of the superintendent and any exhibitors failing to comply with this rule will forfeit any premium awarded to their stock.
5. **All animals shown at Fayette County Fair must remain on fairgrounds for 72 hours.**

Entries

1. Entry fee and stall rent will be paid when entries are made. Please make all entries at the fair office - do not mail. All exhibitors will need to provide social security number before check can be issued.
2. **Premium checks will NOT be dispersed until after 5 p.m. July 11, 2023. Premium checks must be picked up during the fair. NO checks will be mailed.**
3. Enter all animals in weighted classes in the light weight class.
4. Each exhibitor must purchase an exhibitor's ticket at the time of main entry. Open and Junior exhibitor's ticket - \$10 excluding entries in Departments J-O. No complimentary or season tickets will be honored in the Entry Department. Exhibitor's ticket entitles only one person entry into fairgrounds and must be shown at front gate.
5. We have every desire to furnish every exhibitor with comfortable accommodation, stalls and pens, but conditions might make it impossible for us to be able to take care of all livestock entries, and we therefore hereby reserve the right to cease to take entries when our stalls and pens are full.
6. No exhibitor (individual, partnership, or firm) will be permitted to enter or show more than two (2) animals or one article for any purse offered under one premium number.
7. All winners of first premiums in class are eligible for championship of same breed without entering.
8. Entries are limited to boys and girls who are between the ages of 8 and 21 as of Sept. 1, 2022. The Junior Show for Beef, Steers, Dairy, Sheep, Swine, Goats, Horse and Pony is open to all counties in Illinois. For all other classes in the Junior Show, the girls and boys must be a resident of Fayette County and/or 4-H club member of Fayette County. Junior livestock exhibitors will be subject to state fair rules. Animals shown in junior livestock show will be the property of the boy or girl showing them and must provide Registered Certificate.
9. "Certificate of Health" as referred to in this order shall be one issued and signed by an approved accredited veterinarian. "Tuberculin Test" as referred to in this order shall be subcutaneous or intradermal.
10. No exhibitor shall be allowed to falsify any entry or exhibit any article or animal except in the class in which it belongs, as to age and breed. Pure-bred entries are required to have registration papers available upon request.
11. All animals must be in place and in shape that the State Inspector can make his count. This includes swine and sheep.
12. The Fayette County Fair Board shall have the final interpretation of the rules and any other matter pertaining to the operation of the fair, exhibits, shows, and displays.
13. Fayette County Fair personnel may collect blood or tissue or urine samples from any animals being exhibited and/or raced at fair to test for the presence of illegal drugs.

Official Fair Veterinarian will be Dr. Charles Durbin, St. Peter, Illinois

Commercial Exhibitors and Concessionaires

All persons wishing to sell refreshments or obtain permits on the grounds should contact Kim Gelsing at 618-339- 5657 or Jason Smith 618-267-3073 or email fayettedcountyfairillinois@gmail.com.

No species of gambling, betting, or pool selling will be tolerated within the Fayette County Fair's jurisdiction. The officers will strictly enforce these rules. Exhibitors must function from space assigned. None are permitted to roam the grounds soliciting orders for goods or memberships of any kind, donations for any cause, or distribution of literature without prior approval.

4-H Prepares Today's Youth For Tomorrow's Challenges

Nearly six million young people across our nation participate in 4-H each year. Club members between the ages of five and 19 develop leadership, citizenship, interpersonal, and workforce skills in a variety of programs.

We congratulate our local 4-H members for their accomplishments, and their leaders for the many hours they volunteer.

2023 Exhibition Livestock Health Requirements County Fairs

GENERAL REQUIREMENTS

These Exhibition Health Requirements apply to all livestock present at the fair including those animals that are not entered in competitive events.

1. Exhibitors are required to familiarize themselves with all rules applicable to their exhibits. All out-of-state animals shall require an entry permit. Entry permit numbers are available online at <https://entrypermit.agr.illinois.gov/Login.aspx>.
2. All animals, except as noted, shall be accompanied by a Certificate of Veterinary Inspection (CVI) which shows that the animal meets all health requirements for the State of Illinois. CVI's shall be made available to Bureau of Animal Health Personnel on request. If an official electronic CVI is utilized, the exhibitor should be able to log on and show Bureau of Animal Health Personnel the completed CVI. CVI means a legible record made on an official form from the state of origin which has been issued, signed and dated by an accredited veterinarian and which shows the name and address of the animal's owner or exhibitor and the results of all required tests or vaccinations. A CVI shall list only one animal identification per line; shall be presented on the form on which it was initially issued; and shall not be corrected, changed or altered in any manner.
3. All animals shall be officially identified. The animal(s) official identification shall be recorded on the CVI.
4. If animals are from tuberculosis accredited, brucellosis certified, pseudorabies qualified, or brucellosis validated herds, the identifying herd number(s) along with the date of the last herd test(s) shall appear on the CVI.
5. CVI for out-of-state livestock shall be void thirty (30) days after issuance.
6. CVI for Illinois-origin livestock shall be void ninety (90) days after issuance.
7. All livestock shall be subject to examination upon entry to any Illinois fair or exhibition. Any animal showing evidence of infectious, contagious or communicable diseases shall be immediately withdrawn and held in quarantine at the owner's risk and expense until properly treated and recovered, or until the animal is released to return to the owner's premise. Any livestock infected with scabies, mange, active lesions of ringworm, soremouth, or multiple warts which are easily visible without close examination shall not be permitted to exhibit and are subject to quarantine or removal from the fairgrounds. Sheep and goats with caseous lymphadenitis as evidenced by draining abscesses shall not be exhibited and are subject to immediate quarantine or removal from the fairgrounds.
8. Illinois Department of Agriculture personnel or designee may collect blood, tissue, milk or urine samples from any animal being exhibited and/or raced at any Illinois fair to test for the presence of illegal drugs or banned substances. Examination techniques, such as ultrasound, may also be used at anytime while the animals are on the grounds of any Illinois fair or exhibit. The Illinois Department of Agriculture or designee may collect urine, blood, tissue or other test samples from exhibition animals at the time of slaughter.
9. All exhibitors of animals at any Illinois fair or exhibition shall comply with the provisions of the Illinois Humane Care for Animals Act. If violations are observed, the animal(s) will be excused from exhibition and ordered removed from the grounds with all awards being forfeited. Any practice or deviation from normal, accepted care, including physical, medical or mechanical application, shall constitute a violation of show rules and may result in the animal(s) disqualification and removal from the fairgrounds.
10. Any Illinois cattle, bison, cervidae or goats being exhibited in non-accredited free states must be isolated from the remainder of the herd/flock upon return to Illinois and retested for tuberculosis 60-120 days post-entry.

CATTLE

Identification: Individual identification of each animal shall be either a fully healed and legible tattoo, approved official ear tag, registration number (can only be used if the tattoo is recorded on the registration certificate or for breeds where pictures are acceptable), or individual brands, if brand is recorded on the registration certificate.

Illinois Cattle

Brucellosis

Illinois is a Bovine Brucellosis Class-Free State. Brucellosis testing is not required for Illinois cattle.

Tuberculosis

Illinois is an Accredited Tuberculosis- Free State. Tuberculin testing is not required for

Illinois cattle.

Please note: Illinois calves under 6 months of age, and Illinois steers are not required to have a

Certificate of Veterinary Inspection.

Out-of-State-Cattle

All out-of-state cattle are to be accompanied by an entry permit. Entry permit numbers are available online at <https://entrypermit.agr.illinois.gov/Login.aspx>.

Brucellosis

1. Female cattle six (6) months of age and older and bulls eighteen (18) months of age and older shall be negative to an official test for brucellosis within thirty (30) days prior to entry, unless exempt by one (1) of the following:
 - A. Originate directly from a certified brucellosis-free herd.
 - B. Official vaccinates of dairy breeds under twenty (20) months of age or official vaccinates of beef breeds under twenty-four (24) months of age.
 - C. Animal originated from a "Class Free" state (if entire state is so classified)
 - D. Steers and spayed heifers are not required to be tested for brucellosis.
2. The negative brucellosis test shall be conducted at a state or federal laboratory within 30 days prior to exhibition.

Tuberculosis

1. Accredited Tuberculosis Free States

A. No tuberculin test required. All cattle, including steers, originating from an Accredited Tuberculosis Free State, may enter Illinois for exhibition when accompanied by a CVI issued by an accredited veterinarian within 30 days.

2. Non-Accredited Tuberculosis Free Areas or States (Not TB Free)

A. Cattle must originate from a herd where a complete herd test was conducted within the past year.

B. The individual animals entering Illinois must be negative to an additional tuberculin test conducted within 30 days prior to exhibition.

C. Cattle that enter Illinois for exhibition and remain in Illinois (animal does not return to the state of origin within 30 days) must be isolated and retested for TB 60-120 days from the last official TB test date.

SWINE

Illinois Swine

Identification

1. Swine shall be identified by an official ear tag, tattoo or recognized breed ear notch.
2. Ear notch identification is acceptable for all barrows, crossbred gilts and breeding swine.

(Note: Ear notch identification of crossbred swine does not satisfy USDA identification requirements for interstate movement or official testing.)

Brucellosis

Brucellosis testing is not required for Illinois swine.

Pseudorabies

Pseudorabies testing is not required for Illinois swine.

Out-of-State Swine

All out-of-state swine are to be accompanied by an entry permit. Entry permit numbers are available online at <https://entrypermit.agr.illinois.gov/>

Login.aspx.

Identification

1. Individually identified by an official ear tag, tattoo or recognized breed ear notch.
2. Ear notch identification is not acceptable for crossbred animals.

Brucellosis

1. Breeding swine 4 months of age and older shall be negative to an official test for brucellosis within 30 days prior to exhibition unless exempt by one (1) of the following:
 - A. Originate immediately and directly from a validated brucellosis-free herd.
 - B. Originate directly from a validated brucellosis-free state.
2. Swine brucellosis tests for exhibition shall be conducted at a state or federal laboratory.

Pseudorabies

1. Swine originating from a Pseudorabies Stage IV or V state are exempt from the pseudorabies testing requirement.
2. Swine originating from a Pseudorabies Stage III state shall be negative to an official test for pseudorabies conducted within thirty (30) days prior to entry or originate immediately and directly from a qualified pseudorabies negative herd.
3. Swine originating from a Pseudorabies Stage I or II state shall be negative to an official test for pseudorabies conducted within the 10 days prior to entry.
4. Barrows and females in market classes must meet the same requirements as breeding swine.

SHEEP

Identification

Individual identification of each animal shall be by an ear tattoo or official metal or plastic tag. A microchip ID is acceptable if the owner provides the reader.

Ear tattoos may be used when a registration certificate, listing the tattoo number, accompanies the animal.

When using ear tags, the tag must indicate the premises ID and state of origin. The tag number must be assigned by a state or APHIS representative and recorded in the Scrapie Record Database.

Market Lambs

All market lambs must be slick shorn (show ring ready) before weigh-in so that show lamb fungus can be identified.

Illinois Sheep

1. Sheep originating from a flock that has previously been classified as either an infected or source flock can be exhibited in Illinois upon the completion of an approved flock plan.
2. For any animal born after 1/1/2002, the CVI must include the flock of birth and the flock of origin, if different.

Out-of-State Sheep

All out-of-state sheep are to be accompanied by an entry permit. Entry permit numbers are available online at <https://entrypermit.agr.illinois.gov/> Login.aspx.

1. Sheep originating from a flock that has previously been classified as either an infected or source flock can be exhibited in Illinois upon the completion of an approved flock plan.
2. For any animal born after 1/1/2002, the CVI must include the flock of birth and the flock of origin, if different.

GOATS

Identification

Individual identification of each animal shall be by an ear tattoo or official metal or plastic tag. A microchip ID is acceptable if the owner provides the reader.

Tattoos may be used when a registration certificate, listing the tattoo number, accompanies the animal.

When using ear tags, the tag must indicate the premises ID and state of origin. The tag number must be assigned by a state or APHIS representative and recorded in the Scrapie Record Database.

Ears should be used for tattooing when possible. If there is no space in the ear, the flank or tail fold may be used.

Illinois Goats

1. Goats originating from a herd that has previously been classified as either an infected or source herd can be exhibited in Illinois upon the completion of an approved herd plan.
2. For any animal born after 1/1/2002, the CVI must include the flock of birth and the flock of origin, if different.

Out-of-State Goats

All out-of-state goats are to be accompanied by an entry permit. Entry permit numbers are available online at <https://entrypermit.agr.illinois.gov/> Login.aspx.

1. Goats originating from a herd that has previously been classified as either an infected or source herd can be exhibited in Illinois upon the completion of an approved herd plan.
2. Tuberculosis- Goats from areas or states that are not Accredited Bovine Tuberculosis Free, must be accompanied by a CVI indicating that the goats originated from a herd where a complete negative herd test has been conducted within the past twelve (12) months and the individual animals are negative to a tuberculin test conducted within thirty (30) days prior to entry. For any animal born after 1/1/2002, the CVI must include the flock of birth and the flock of origin, if different.

HORSES, PONIES, MULES AND OTHER EQUIDAE

Illinois Equine

1. All horses and other equidae, twelve (12) months of age and older attending an advertised equine event, shall be accompanied by a negative test for equine infectious anemia (EIA) conducted within the last twelve (12) months. A copy of this test shall accompany the animal.
2. AGID (Coggins) or ELISA tests are accepted.
3. An advertised equine event means a show, rodeo, sale, auction, exhibition, trail ride, or horse fair that is posted or media promoted.
4. A CVI is not required for Illinois equine.

Out-of-State Equine

All out-of-state equine are to be accompanied by an entry permit. Entry permit numbers are available online at <https://entrypermit.agr.illinois.gov/> Login.aspx.

1. All horses and other equidae entering Illinois that are twelve (12) months of age or older, shall be accompanied by a negative test for equine infectious anemia (EIA) conducted within the last twelve (12) months. A copy of this test shall accompany the animal.
2. AGID (Coggins) or ELISA tests are accepted.
3. All horses and other equidae shall be accompanied by a CVI issued within thirty (30) days prior to entry.

POULTRY

1. All entries (except waterfowl, i.e. domesticated fowl that normally swim, such as ducks and geese) in a show or exhibition shall have originated from a U.S. Pullorum-Typhoid Clean or equivalent hatchery or flock OR have a negative pullorum-typhoid test within 90 days prior to exhibition. Exhibitor shall show proper information as to name and address of owner or exhibitor, name and address of the authorized testing agent, date of the testing and the number, breed, and species of those tested.
 2. Prior to being used to transport poultry to a show, all crates, boxes, containers and vehicles shall be thoroughly cleaned and disinfected.
 3. Any poultry vaccinations must be performed at least 4 weeks prior to delivery to the show.
 4. Upon admission to a show, all entries shall be examined by the official county fair veterinarian or qualified state personnel who shall also receive and examine all certificates necessary for admission of birds to a show. Birds not in show condition will be excused from exhibition and removed from the premises. Any fowl showing signs of illness during the fair will be removed from the exhibition grounds.
 5. All out-of-state turkeys must originate from flocks that are officially classified as U.S. Mycoplasma Gallisepticum Clean in accordance with the provisions of the National Poultry Improvement Plan or be negative to a test for Mycoplasma gallisepticum within 30 days prior to entry.
 6. A permit is also required for out-of-state poultry. Entry permit numbers are available online at <https://entrypermit.agr.illinois.gov/Login.aspx>.
- Please note: These poultry exhibition requirements do not apply to 4-H and FFA 1-day poultry shows where the entries are taken to the show and returned home the same day. However, a permit is required for out-of-state poultry.

CERVIDAE

(Deer, Elk, Reindeer, Caribou, Moose, Red Deer and other Related Species)

Identification

All animals shall be individually identified with an approved tag, microchip or tattoo. Elk are required to have two official/approved unique identifiers.

Illinois Cervidae

Chronic Wasting Disease

For cervidae changing ownership or moving within the State, the owner must obtain a permit issued by the Department prior to movement and the cervid must originate from a herd that is enrolled in the Certified Monitored Chronic Wasting Disease (CWD) Program or the Contained Monitored Chronic Wasting Disease Program. The permit shall be obtained no more than 72 hours in advance of the movement of the cervids by providing the following information:

- A) Name and complete mailing address of person exhibiting the cervids;
- B) Certified Monitored Chronic Wasting Disease or Contained Monitored Chronic Wasting Disease Herd number;
- C) Name and complete mailing address of location where the animals will be exhibited;
- D) Number of animals and unique identification of the animals.

Tuberculosis

Illinois is an Accredited Tuberculosis-Free State. Tuberculin test is not required for Illinois cervidae.

Out-of-State Cervidae

Chronic Wasting Disease

1. All cervidae entering Illinois must be in compliance with the Illinois Wildlife Code [520 ILCS 5].

For more information, contact the Illinois Department of Natural Resources at 217/782-6384.

2. All cervidae entering Illinois must be accompanied by a permit from the Department and a Certificate of Veterinary Inspection that:

- a. has been issued by an accredited veterinarian of the state of origin or a veterinarian in the employ of the United States Department of Agriculture;
- b. is approved by the Animal Health Official of the state of origin;
- c. shows that the cervidae are free from visible evidence of any contagious, infectious or communicable disease or exposure thereto, do not originate from a CWD endemic area (any county and surrounding counties where CWD has been diagnosed in the past five years);
- d. shows that the cervidae are not originating from a herd under quarantine for any contagious, infectious or communicable disease;
- e. shows that the animals originate from a herd that has been monitored for at least 5 years under a state-approved CWD certification program.

3. A permit number can be obtained by applying online at <https://www2.illinois.gov/sites/agr/Animals/AnimalHealth/Documents/permitrequestform.pdf>. Applicant for permit shall furnish the following information to the Department:

- a. Name and post office mailing address of Illinois destination;
- b. Name and post office mailing address of the consignor and/or source herds;
- c. Name and post office mailing address of the herd veterinarian;
- d. Number and unique identification of cervidae in shipment.

Brucellosis

Cervidae six (6) months of age and older must have a negative brucellosis card or PCFIA test within sixty (60) days prior to entry.

Tuberculosis

1. Accredited Tuberculosis Free States

All cervidae twelve (12) months of age and over shall be negative to two (2) single cervical test for bovine TB no less than ninety (90) days apart with the second test conducted within ninety (90) days prior to entry. These animals shall be isolated from all other members of the herd during the testing period unless they originate from an accredited, qualified or monitored herd.

- A. Cervidae from an accredited herd may be moved into Illinois without further TB testing provided that a certificate stating that such cervids originated from an accredited herd accompanies them.
- B. Cervidae originating from qualified or monitored herds may enter with a negative test within ninety (90) days prior to entry and a certificate stating that the animals originate from a monitored herd.

2. Non-Accredited Tuberculosis Free Areas or States (Not TB Free)

- A. All cervidae shall originate from a herd where a complete herd test was conducted within the past year.
- B. The individual animals entering Illinois must be negative to two (2) additional tuberculin tests conducted within 180 and 30 days prior to entry or exhibition.

RATITES

(Ostriches, Emus, Rheas, Cassowaries and Kiwis)

Illinois Ratites

There are no requirements governing the movement of ratites within Illinois.

Out-of-State Ratites

1. Must be accompanied by a CVI and permit number. Entry permits are available online at <https://entrypermit.agr.illinois.gov/Login.aspx>
2. Individually identified by leg band or microchip.
3. Negative test for Avian Influenza within 10 days prior to entry.

PIGEONS

There are no requirements governing the movements of pigeons within or into Illinois.

RABBITS

There are no requirements governing the movements of rabbits within or into Illinois.

LLAMAS

There are no requirements governing the movement of llamas within Illinois. A permit and health certificate is required for out-of-state llamas. Entry permit numbers are available online at <https://entrypermit.agr.illinois.gov/Login.aspx>

THE ONLY INDEPENDENTLY OWNED GRAIN ELEVATOR IN FAYETTE COUNTY

Established 1965

Class H - Junior Livestock - Rules and Classes

Exhibitors Pass: \$10.00

1. **Junior livestock must be on grounds by Noon, Saturday, July 8 and will be released on Tuesday at the conclusion of all species Shows and after mafia blocks have been removed.** It is to be assumed that each show will start immediately following the show before it unless stated by the Judge.
2. Note: The Fayette County 4-H Shows and the junior shows require separate entries. All junior show entries must be made through the Fayette County Fair Secretary, Social Security Numbers are required. Entries may be made upon arriving at the fairgrounds.
3. Entry fees will be paid when entries are made at the fair office. Checks will not be available until 5pm on Tuesday and must be picked up at fair office by close of fair. **CHECKS WILL NOT BE MAILED.**
4. Illinois State Fair rules will preside regarding the grooming of livestock for the 4-H & Jr. show. See 4-H handbook for specific rules.
5. Junior Show for Beef, Steers, Dairy, Sheep, Swine, Goat, Horse and Pony will be open to all counties in Illinois. For all other classes in the Junior Show, the girls and boys must be a resident of Fayette County and/or 4-H Club member of Fayette County.
6. There will be a \$5 show fee for each exhibit: beef, steers, dairy, swine, horse, sheep, goats, and pony.

RULES

- Junior Shows: These are permitted in connection with agricultural fairs only if they are open to boys and girls who are between the ages of 8 and 21 as of Sept. 1 prior year.
- Group placings are not permitted (Jones and Smith).
- Rules and regulations in Junior Shows should in most cases be those of the Open Show.
- Animals shown in Junior Shows must be the property of the boys or girls showing.
- No copy of applied for or photocopy will be accepted in lieu of the original registration papers. (This does not apply to calves under 6 months of age.)
- There is a possibility that registration papers will be checked by a superintendent Sunday, July 9 so have your registration papers ready at all times.
- If these animals are shown in the Open Class, they must be shown in the same name as they were shown in the Junior Show, thus, the father is not permitted to show an animal in the Open Class (In Individual or Group Classes) and the daughter or son the same animal in the Junior Show.
- All animals must be exhibited in the judging ring by owner.
- In case an exhibitor shows two entries in any class or becomes ill, while at the Fair, or is unable to show his or her animal for any reason, they may obtain the aid of another junior exhibitor in showing the animal providing permission is received from the superintendent of the Junior Livestock Department.
- Failure to observe this rule may be grounds for disqualification.
- We will make every effort to cooperate with exhibitors showing two kinds of animals (beef and sheep or swine) but we will not hold up or disrupt any of the shows.

Class H1 - Beef Cattle

\$3,750 Premium Offered

Judging: Tuesday, July 11 - 8:00 a.m.

Superintendents: Jackie Wright 618-267-5677, Audrey Prusa 618-339-1065

Entry Fee \$12.00 • Show Fee \$5.00

Entries close Sunday, July 9 @ 3:00 p.m. Released Tues. After conclusion of all shows and mafia blocks have been removed.

Checks will not be available until 5pm

TRUE HIGH SPEED

4905 High Speed Front Fold Planter | 24 ROW 30" | 16 ROW 30" | 12 ROW 30"

4905

The 4905 24-, 16-, & 12-row high speed planters are the most advanced, yet simple to operate planters to ever plant corn. Performance optimized with True Speed high speed meters, Blue Vantage display, Blue Drive electric drive, and rugged cast row units to accurately plant at speeds up to 12 mph. Hydraulic weight transfer and True Depth hydraulic down force ensure seed is placed at the correct depth for optimum emergence and root development. Minimize stops with up to 750 gallons liquid fertilizer capacity.

True Speed electric drive meter

Simple and easy to use Blue Vantage display with shared coverage data and up to four cameras

Maintain consistent seed depth control with the durable True Depth active hydraulic down force system

True Speed high speed meter discs available for corn, soybeans, cotton, sugar beets, and milo

Improved durability, longer wear life, and lower cost of ownership from 05 Series row unit upgrades

Fayette County Sheriff's Office

Proudly serving the citizens of Fayette County

Chief Deputy Steve Coody and Sheriff Ronnie Stevens

Hello, Fayette County.

It is that wonderful time of the year again where days are long and temperatures are warm. Please keep a lookout for our youth enjoying their summer break and the increased number of motorists on the roadways. It takes all of us to help keep our communities safe. We hope everyone has an enjoyable summer season; it is our pleasure to serve the citizens of Fayette County.
