The FCFA Board of Directors are directly responsible for managing and operating the Fayette County Fairgrounds throughout the year and are responsible for Operation of the Annual Fayette County Fair and all other events. With this submission, and if successfully approved by the Board, you are agreeing to make every effort to attend 6 of 12 monthly meetings, but encouraged to make all meetings, and agree to work not less than 16 hours during fair week each year, at your convenience, night or day. The FCFA Board will recruit Board-members that are proven leaders in the community, and/or recognized to have potential to lead, to join the Board to assist in operating the Fayette County Fair, related events to entertain residents and visitors, maintain the fairgrounds and profit in order to continuously improve the fairgrounds and equipment. I will support the initiative that all Board Members, employees and/or agents thereof will withstand a Criminal Background check for sex related criminal activity to insure we keep Fayette County Fair safe for our children and residents.

There is a one time \$10 membership fee.

I have read, completed the application, and understand the expectations of an FCFA board member. I would like to be considered for board-membership of the Fayette County Fair Association.
